A painstaking renovation with attention to detail has transformed this classic c1930's vintage cottage into an exceptional family home. No expense has been spared to preserve and enhance the original character and blend seamlessly with an innovative modern extension.

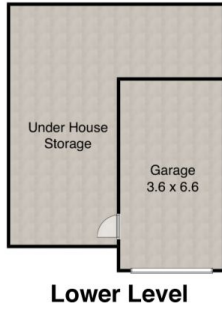

Enter from the new front veranda with Hampton's style balustrade to the foyer with double French doors and banks of louvres and be greeted by the light filled living room featuring magnificent leadlight windows, ornate ceilings and restored timber floors.

The spacious Master bedroom features restored patterned ceilings, beautiful leadlight windows, luxury en-suite with marble topped double vanity and a walk-in wardrobe, while bedrooms 2 and 3 both have bespoke built-in robes. The stunning main bathroom features a free standing bath,
